Ultimate Racing Tool Bag

This is the Ultimate Racing exclusive RC Team Tool Bag with two separate compartments to storage and carry your RC tools and accessories. This UR Tool Bag is made from black canvas type material with red piping and features the UR logo on the top cover. The covers and sides have been reinforced with strong plastic sheets ensuring that even when the bag is fully loaded it will not twist or bend. This stylish bag has two zippers for two separate compartments, as well as a strong handy carry strap for comfortable handling. Inside of the top level there are 34 elastic straps with different sizes that will retain your UR tools securely during transportation. The bottom is an empty strong and reinforced case to storage all the other tools and accessories that you never know where to store like the brushes, pliers, pit gloves, wheel balancer, etc.
