HARD8922 - Magellan Large Hauler Bag

The convenience of being able to store and carry your RC gear really makes racing a whole lot easier. Knowing where every tool or part is stored reduces maintenance times and lets you get on with racing your car HARD, a manufacturer of high quality tools and hardware are continually looking for ways to make RC racing easier. With this in mind, they are proud to present their latest item. The 1/10th crawler bag.

The H.A.R.D. 1/10th crawler bag is the ideal solution for all of your storage needs. Made from the highest quality materials and constructed to last, you'll find its big enough to carry your car and R/C gear to each meeting without the inconvenience of being heavy.

Made from super strong Styrofoam, its attractive shape and styling makes it the perfect R/C accessory. Consider purchasing one today and find out how correctly stored R/C gear can make racing a whole lot easier.

Opening the bag is a simple process of unzipping one or both of the zips. The top of the bag then lifts up and can be moved out of the way. The front folds down to make accessing the boxes and your gear effortless. No need to lift items out or having to remove the top box to reach the bottom one.
